

ARTIFICIAL INTELLIGENCE FOR EXECUTIVES

Grasp the knowledge of AI to understand the opportunities and challenges to boost organisational performance

7 - 8 December 2022
1.00pm - 6.00pm | GMT+8

**Interactive Virtual
Instructor-Led Training**

WHY YOU SHOULD ATTEND

This virtual training will allow participants to learn how to generate AI ideas, evaluate them and turn them into real cases. Besides that, this training will also focus on making the actionable plan right from the beginning.

During the training, participants will be able to create their own methodology that imitates various AI approaches. Participants will have the opportunity to debate and exchange their knowledge with a goal to fully understand how to leverage AI in their organization.

AUDIENCES

This training is specifically designed for: -

- C-level Executives
- Vice President
- Division Heads
- Senior Managers
- Managers
- Senior Executives
- Business Owners

This is an **Interactive Virtual Instructor-Led Training (VILT)**. Kindly ensure you have a working Webcam and Headset with Microphone.

- Strictly limited number of seats to ensure maximum learning and experience for all participants
- Thorough and customized program to address current market concerns
- Provision of a digital certificate to participants at the end of the training
